

# PROMOTING A SAFE AND HEALTHY EXPERIENCE FOR THE TMC FALL MEETING & TRANSPORTATION TECHNOLOGY EXHIBITION

The American Trucking Associations (ATA) is closely following the ongoing public health situation. We are excited to see everyone at the TMC Fall Meeting & Transportation Technology Exhibition, scheduled for September 25-29 in Cleveland.

**Get vaccinated!**  
 The CDC recommends vaccinations and ATA encourages all attendees to get vaccinated prior to attending an ATA meeting.

**Cancel your attendance if you aren't feeling well**  
 prior to traveling to Cleveland.

**Respect and practice social distancing when possible**  
 and avoid greeting others with physical contact.

**Mask up!**  
 Masks are encouraged in busy indoor spaces and will be available at TMC's registration desk.

**Wash your hands frequently and use hand sanitizer.**  
 Hand sanitizer stations will be placed throughout the meeting facilities.

**Enjoy!**  
 Let us know if you have any questions or concerns.
