

# PROMOTING A SAFE AND HEALTHY EXPERIENCE FOR TMC FALL MEETING & TRANSPORTATION TECHNOLOGY EXHIBITION ATTENDEES

The American Trucking Associations (ATA) is closely following the ongoing public health situation. We are excited to see everyone at the TMC's 2021 Fall Meeting & Transportation Technology Exhibition, scheduled for September 12-16 in Cleveland, Ohio.

**Get vaccinated!**  
The CDC recommends vaccinations and ATA encourages all attendees to get vaccinated prior to attending an ATA meeting.

**Cancel your attendance if you aren't feeling well**  
prior to traveling to Cleveland.

**Respect and practice social distancing when possible**  
and avoid greeting others with physical contact.

**Mask up!**  
Masks are encouraged in busy indoor spaces and will be available at TMC's registration desk.

**Wash your hands frequently and use hand sanitizer.**  
Hand sanitizer stations will be placed throughout the meeting facilities.

**Enjoy!**  
Let us know if you have any questions or concerns.
